## CLAIRE The prize at the Pesavento Awards

Claire represents sublime elegance, pure light and harmony.

Claire combines bright dreams with the substance of white marble. It has a powerful soul: one that reveals the essence of Pesavento with the beauty of emotions and all that is ethereal while looking to the future.

Claire is a name of ancient origins but known world-wide, like the Pesavento Awards. It epitomises all that is Italian, and recognises the excellence of the best jewellers around the globe.
