POLVERE DI SOGNI – COLORS OF THE WORLD

Rainbow

Does anything capture the beauty of the sky better than a rainbow? Polvere di Sogni – Colors of the World continues to work its magic, giving life to our emotions with its colorful reflections. Choose bracelets and necklaces with all the Colors of the World, in four different combinations: yellow and green, blue and purple, and also pink. Obey an irresistible urge to embrace the mood of the moment, combining and overlapping colors in an endless game.

POLVERE DI SOGNI

Saetta

A sudden flash of light, dancing in the air: Saetta is a new expression of Polvere di Sogni, an anthem to movement and light.

In a harmonious blend of past and present, Saetta adds a topical twist to an iconic Pesavento theme, reflecting the character of every woman. Necklaces, bracelets, rings and earrings, in a variety of shapes and sizes, are an invitation to surround yourself with myriad reflections. Stylish like black and bronze, or bold and contemporary like the brilliant shades of Polvere di Sogni - Colors of the World.

POLVERE DI SOGNI

Cocktail

What is the secret of Polvere di Sogni? It asks us to dream, to let our imagination play with the changing shapes, colors and reflections. Its success lies in its capacity to reflect our wishes, to capture our current mood, to offer us a complete experience of color.

The Cocktail collection now includes some new designs, allowing every woman to express her own style and personality; indulging her taste for stylish combinations with the iconic Polvere di Sogni, or choosing lively plays of color with Polvere di Sogni – Colors of the World.

DNA SPRING

The flexible design and silky feel of DNA Spring have made this an iconic collection. DNA Spring is loved for the vibrant reflections it casts on the skin and for the soft, natural way it adapts to curves, and now the slinky threads have been made even stronger with the insertion of a new lightweight core. The new additions for next season use the iconic colors of Polvere di Sogni to highlight special details, or bring out the lively, surprising character of the design with shades of Polvere di Sogni - Colors of the World.

INCONTRI

The spirit of true elegance lies in its simplicity. And that is the typical style of the Incontri in gold collection, a welcome comeback that celebrates the beauty of pure forms, with all the elegance in the details. A balance between shapes and proportions, between the warm glow of rose gold and the brilliant reflections of Diamond Dust, which fascinates at first sight and delights forever.

Incontri is also available in a limited 'couture' edition, embellished with brilliant-cut white diamonds. On display in the Pesavento showcases at Vicenzaoro in September.
