GIALLO MONDO

Spectacular, radiant, and deeply captivating, yellow wins over the eye and the heart with a brilliant twist. A triumph of golden light invites you to fall in love with pure, soft, luminous forms inspired by the beauty of essential geometry.

Rhombus-shaped and drop motifs trace emotion through mirror-like reflections and the unmistakable allure of Polvere di Sogni. Design becomes a pleasure to wear.

Giallo Mondo selection: earrings, necklace, and ring in 925 sterling silver with 23K yellow gold electroplating, featuring elements coated in Polvere di Sogni in the Giallo Nardò shade.

GIALLO MONDO DROPS

Like precious dewdrops, natural gemstones catch the light with every movement, reflecting the magic of a garden in bloom. The Drops collection is a refined tribute to the uniqueness of colored stones. Citrine and prasiolite shine in their radiant beauty, enhanced by unexpected touches of Polvere di Sogni. They move gracefully across necklaces of different lengths, bracelets, and earrings, releasing notes of pure poetry.

PIXEL STONES

A new chapter opens in the story of Pixel, marking a return to the origins of jewelry, where precious materials meet the natural light of gemstones. At center stage, refined cabochon-cut citrine and prasiolite are framed by a double halo of Pixel micro-spheres, the collection's iconic signature. These unique creations invite admiration, where craftsmanship, design, and luminosity come together in a language of pure, timeless beauty.

POLVERE DI SOGNI

The beauty of geometry meets the magic of light in the endless wonder of Polvere di Sogni. True elegance lies in the search for essence: pure forms and perfect balance. A visual dialogue unfolds through bold contrasts of shapes and proportions, where the refined tone of rose-finished silver meets the intense brilliance of Polvere di Sogni in Pesavento's most iconic colors.
